

[10] STORIES OF SINGLE MOTHERS

Sydney Premiere '[10] Stories of Single Mothers' plus 'Politicians Unite to Champion Change'

Sydney premiere of '[10] Stories of Single Mothers' is a poignant and provocative short documentary that provides a glimpse into the world of ten single mothers and illustrates why change is desperately needed. The audience will then be treated to an unreleased clip 'Politicians Unite to Champion Change' that captures the views of some of our politicians.

A highlight will be an expert panel consisting of **Dr Cassandra Goldie** the CEO of the Australian Council of Social Services, **Eva Cox** renowned social commentator and **Penny Wilson** who features in the documentary. Join in the conversation.
